---

We are happy to bring you our 1959 edition of our Gladiolus catalog. We wish to thank all those who ordered last year and know that they had a successful year. We hope this year is equally successful.

Please read carefully before ordering. All orders of \$3.00 or more will be shipped prepaid. Orders must be accompanied by cash in full, or 25% deposit will hold orders of \$5.00 or more for April delivery. Balance to be

sent prior to delivery. We guarantee all bulbs purchased from us to be true to name, full size and free of disease. We cannot guarantee the crop you grow because there are too many conditions over which we have no control once you plant the bulbs. Our bulbs are personally inspected at digging and shipping time. No C.O.D. orders please. Washington customers must include 3.1/3% State Sales Tax.
